### A Song of Love.

O bills, in glory lean And bathe your brows in light; O velvet valleys, soft between, Dream gently to the night; For she bath said " I love," and she Hath given all that love to me! O birds, with thrilling throats. Glad let your music be. O rivers, where the splendor floats. Flow singing to the sea! For she hath said "I love," and she Hath made that love a crown for me! O world, grow green to greet The joy that comes apace : Your roses for her footsteps sweet, Your sunshine for her face ! For she bath said " I love," and she

#### -Frank L. Stanton in Atlanta Constitution Bridal Trips on the Ocean.

Hath made that love a heaven for me !

A trip to Europe sounds so well to tell one' friends and to see noted in the society columns of the newspapers that the temptation is very great to run the risk for the sake of the glory of such an announcement, but when the ship begins to lurch and pitch about, the waves rise mountain high, and the stewards are pressed for time, then the grim reality blots out the rosy visions. A woman isn't a bit pretty when she is seasick; for that matter, peltner is a man, but some-how a woman gets so washed-out looking, tom of the pot rests in the shallow water and even when that delightful period of con-receptable of the surrounding vase. The valescence sets in she is so limp, the sea air earth is always kept moist by the capillary takes the curl out of her bangs, she has no attraction, and the plant by this method is interest in life, and she does not resemble in the least degree the stylish creature wh came aboard in a smart travelling gown with " bride " unmistakenly written in every

## Don't Wrap Baby Too Warmly.

A physician who has devoted himself to a through its lungs, and these breathing places | Take small, black, wild cherries, and when should not be covered up and rendered use- fully ripe put them in demijohns and rather iess. In the summer time lamb's wool socks more than cover them with white spirits (at and a low necked merino shirt are sufficient about \$3 per gallon), cork tightly and let protection with, of course, a little irock and them stand two or three months at least-a A new evening gown recently seen had long skirt, and a child accustomed to the air is year, if more convenient, will do them no sleeves of palest pink gaure, rumpled all the as much more hardy and less susceptible to harm. When ready to make un, pour off the way up, and very full and large at the top to changes in the weather.

White Is Fashionable

crossways (top), -I love another." 11. On Perhaps it is the law of periodicity in which some people find so much significance. What - frings on the lower edge. They are expensive ever may be the reason, for a good many seasons it has been the same, with, however, 14. Left bettom a decided difference as to material. Last season gowns of white wool were the mode. One may even go further on the road to dresses are of various kinds of cotton goods, the simplest, hanging strings of jet braid of white mult, as soit and feery as a Summer the desired length, not knotted at all. cloud, is very popular and is made in a Etch and Harrow jackets are growing in simple taskion with the full short waist favor as the Autumn approaches. Not only and high puffed sleeves of the Empire sixle. do women have their tailor and outling gowns. With these are worn large Tuscan straw hars made with these tipy coats, but many of the trimmed in white teathers, lace and satin leading modistes are turning out Eton jack. ribbon and with deep vells of write net. Cos. scribe herself and her triends and her house ets in tig plate siles, to wear with various tumes of heavier white go ds are tailer made. ### Self-Watering Flower Pot. An exceedingly clever idea in the line of

flower pots is the suggestion of a French As seen from the illustration, & forist loosely woven circular cord, preferably a lamp wick, is imbedded in the earth around

never injured by an excess of water.

## Another Fly Banisher.

It is not generally known that placing certain herbs in a room will banish files from it. Sweet clover, for instance, which is not difficult to obtain, as it is found thriving luxuriantly on almost every country roadside, will put flies to rout. The sweet, pungent odor it exhales is qui'e unobjectionable, but is still abhorred by flies.

# To Make Cherry Bounce.

This is wild cherry season and people re-

enough boiling water to cover them letting them stand for a week ; then strain, with the spirits, through flanne', adding one pint of Jamaica rum to three gallons of spirits and water. Three gallons will also require ten pounds of sugar, which may be added after straining. If the strong or spirits may be added to suit the taste. Cork tightly in quart bottles and keep in a dark place. The bounce improves with are.

## Elaborate Stockings.

Never have stockings been more elaborate than this season. They are likely to be smart while trailing dresses which require holding up are the fashion for street wear. Pretti stockings for evening wear in black have delicate eclors introduced under the last fronts-blue, pink or yellow. Tartan patterns As is usual at this season of the year white seem very popular just now.

## A Home-Made Jet Girdle.

but can easily be copied at home by sewing tringe of the desired length to a plain girdle or even to a flat band of jet paeconomy by stringing the tringe itself, as it is
